BULLETIN ... BULLETIN ... BULLETIN TENTATIVE SPRING ROUTE INSPECTION SCHEDULE

January 21, 2005

A tentative route inspection schedule was submitted to the Branch this past week. Please note that this may not be the exact schedule of offices and dates that will actually receive inspections this Spring. We will be meeting with management on this in the very near future as to the schedule, the procedures and our involvement concerning any inspections. We will send out another Bulletin as soon as we have any updates.
