STEP B DECISION

MANAGEMENT CAN NOT POST INDIVIDUAL PERFORMANCES

Management in the St Louis Installation has been instructed to cease and desist from posting individual letter carrier performances. In this grievance, Management at the U-City Post Office were posting individual performances of MSP scans on the office bulletin board. The Step B Team correctly ruled that issues concerning the duty performance of letter carriers are to be addressed privately between the supervisor and the individual letter carrier involved. Any office that is continuing posting individual performances should contact their steward. A copy of the B Decision is included in this bulletin.

All Letter Carriers should make their scans as they deliver their assignments. However, there is no time requirement in making scans within 30 minutes of the posted scan time under the provisions of our National Agreement.
