## BRANCH 343, ST. LOUIS, MISSOURI

### MARCH 10, 2011

### Summary of Branch Action

MSC To pay the branch bills

---

MSC That the branch purchases two tickets each for a 2011-2012 ten-game plan for the St. Louis Blues.

### Highlights

NBA Dan Pittman thanked Branch 343 officers and retirees for helping with the Regional Rap Session. Dan asked RAA Mike Birkett to explain the plan in dealing with the assault on unions in 15-18 states. There should be a reduction in management on March 25, we shall see if this is true. Training will begin for DRT reps. Management is having problems finding candidates to pass the test and asked if the test could be made easier. Chairman Jim McNeil announced that Ole Timers' Day will be held May 7. VP Barry Linan announced that Food Drive T-shirts will go up \$1.00. S, M, L are \$7.00: XL-UP are \$8.00. President William Lister explained the battle that lies before us. We will be fighting the rich and big business agenda of busting unions. Big business can now financially back Republicans. Unions are limited to begin with. Legislation eliminating unions will stop the financial backing of labor-friendly candidates supporting the middle class. We can see the beginning of a two group country, the rich and the very poor. This is why you should attend meetings to stay on top of this movement to eliminate your jobs.
